First Crush Festival and Harvest Festival

Join us for our First Crush Festival on Sept. 15 & 16th, and our Harvest Festival on October 13th & 14th. Events begin at 11 am and include harvesting of the grapes ceremoniously crushing, and tasting of the new 2007 Vintage.

Vineyard & Harvest

After several weeks of bad weather including narrowly escaping damage from golf ball size hail in the area, good weather is finally blessing us. The cool nights, morning fog and hot dry days are greatly enhancing of the grapes. Harvest began last week in August and will continue to the 3rd week in October. We are once again hoping for a great and bountiful harvest this year.
