15th Annual Spring Highway Clean Up

April 4th, 8 am to 10 am we will clean the 2 miles of River Road by the winery. The fun of walking, bending, trash picking and dodging the traffic is shared with volunteers, Sand Castle enthusiasts and the employees.

10 am is a breakfast of Champions, Pinot and Pizza! Hot coffee and Danish on the side. Everyone is invited! Meet 8 am at the entrance to the winery.

Bucks County Wine Trail

Do you know there are 9 wineries in Bucks County and there is a Bucks County Wine Trail? Experience the rich heritage behind the wines uniquely crafted by the family wineries of Bucks County.

Go to www.buckscountytrail.com to find out more.

Winery

We have extended our wines by the glass program and now you can enjoy our Millennium series wines by the glass also. On the weekends we serve complimentary cheese so you can enjoy an afternoon in the wine country, wine, cheese, music and a panoramic view.

Vineyards

March 2,3 & 4th was the nature's last attempt to kill our buds and with them the crop of 2009. Temperature dipped down to near zero degrees at night but lucky for us in the daytime it came up to the 20's. When we checked the buds they looked good, but final answer will be in May.
